BACKGROUND

- Established in 1967, they are one of the leading building contractors in Hong Kong with over 50 years of experience. They principally act as a main contractor in building construction works and RMAA works projects across public and private sectors in Hong Kong.
- According to the CIC Report, they ranked the third among all main contractors in Hong Kong in terms of revenue from building construction works for the year ended 31 December 2018 with a market share of approximately 5.2%.
- During the Track Record Period, they mainly took the role of main contractor. As a main contractor, they are responsible for (i) overall management of the projects; (ii) formulating work programmes; (iii) engaging subcontractors and supervising their works; (iv) sourcing construction materials; (v) communication and coordination with their customers and their consultant teams; and (vi) safeguarding compliance with safety, environmental and other contractual requirements.
- Their customers can be divided into two categories: (a) customers from the public sector including various Government departments such as the Housing Authority and the Education Bureau, educational institutions and NGOs; and (b) customers from the private sector such as private property developers and other listed and private companies.

BUSINESS STRATEGIES

- Tender for and secure more contracts in both public and private sectors.
- Further strengthening their manpower.
- Further enhancing their information technology.
- Adhering to prudent financial management to ensure sustainable growth and capital sufficiency.

COMPETITIVE STRENGTHS

- Established history and a proven track record in the building construction works and RMAA works industries.
- Well positioned to secure emerging opportunities in public and private building construction works development.
- Long-standing and strong relationships with their major business partners.
- Stringent quality control and high safety standard and environmental impact control.
- Experienced and committed management team and professional staff members.

KEY RISKS

- Their business operates under various registrations, licenses and certifications and the loss of or failure to obtain or renew any or all of these registrations, licenses and/or certifications could materially and adversely affect their business.
- Their revenue is mainly derived from projects which are not recurrent in nature and they are subject to the risks associated with competitive tendering process.
- Their past revenue and gross profit derived from building construction works and RMAA works projects may not be indicative of their future revenue and gross profit.
- They determine the tender price based on the estimated construction time and costs which may deviate from the actual implementation of a project due to cost overruns and/or other related construction risks.
- Failure to maintain safe construction sites and/or implement their safety management system may lead to the occurrence of personal injuries, property damages, fatal accidents or suspension of relevant licenses to operate.

DIVIDEND POLICY

- No fixed dividend policy.
