QUOTE

Buy & Sell Shortcut

The image illustrates the 'Buy & Sell Shortcut' process. It starts with the 'Quote' screen for Tencent (00700), showing the current bid price of 458.800 and ask price of 459.000. Step 1 shows the user tapping on the bid or ask price. Step 2 shows the resulting 'Buy' order form, where the order price is automatically set to the selected bid price (458.800). Step 3 shows the resulting 'Sell' order form, where the order price is automatically set to the selected ask price (459.000). Both order forms allow the user to amend the price and quantity before pressing the 'Buy' or 'Sell' button.

STEP 1 Tap **Bid** or **Ask**

STEP 2 The order ticket will pop with the price copied

STEP 3 Amend the order (if necessary) then press the **Buy** or **Sell** button

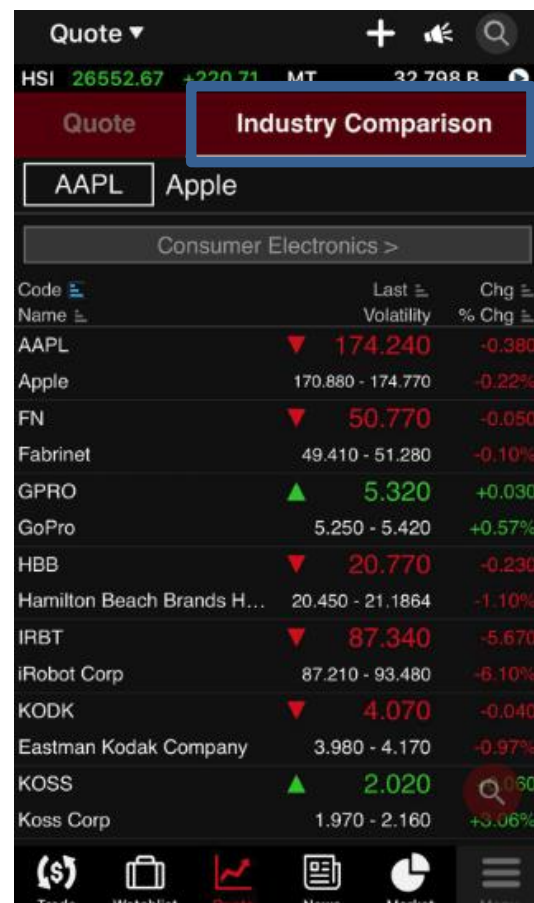

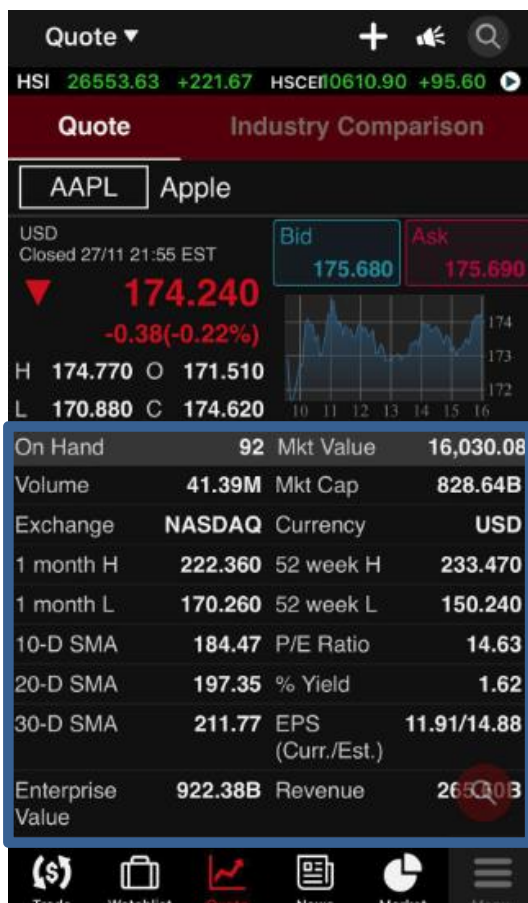

QUOTE

Types of Quote Services

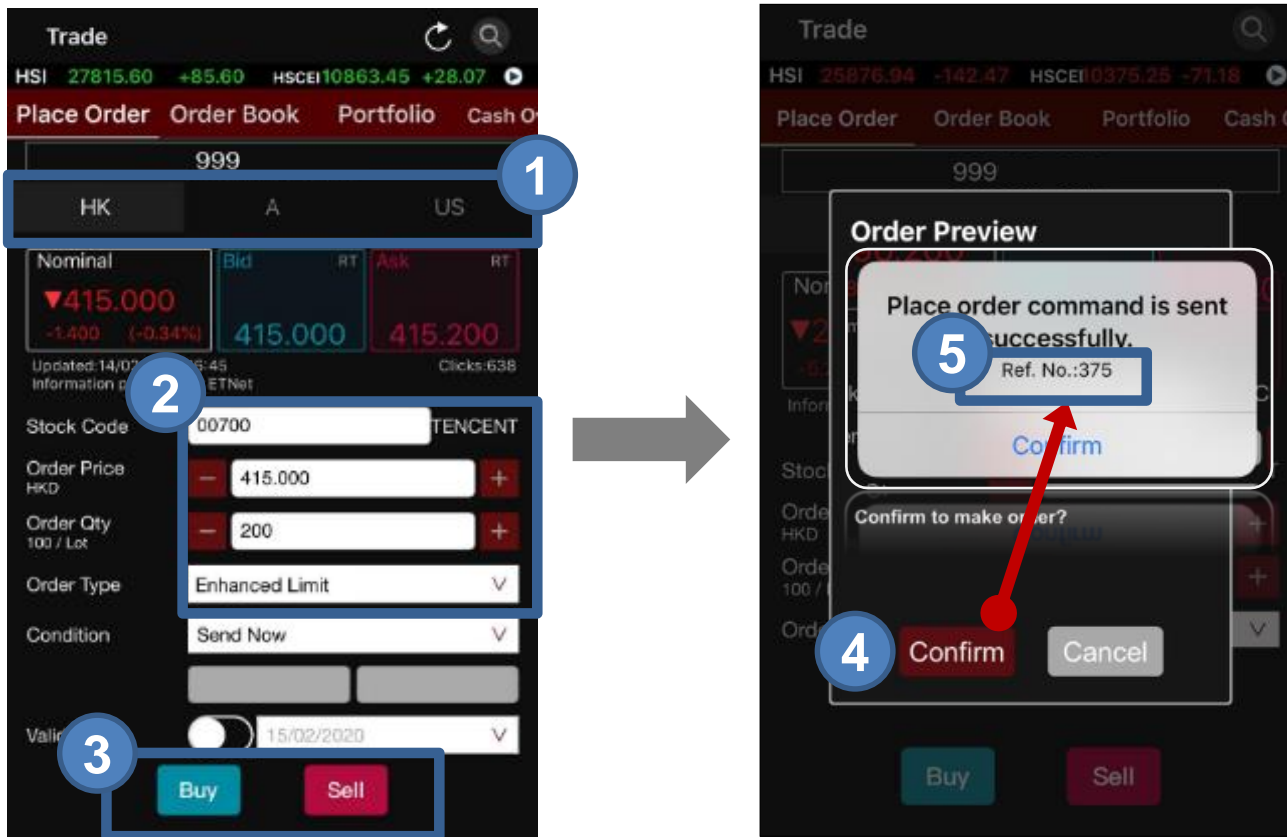

We offer different stock quote services for HK, A-Share and US markets including **Real-time Streaming**, **Real-time Snapshots** and **Real-time Delayed Snapshots**.

For US streaming subscribers, you can view the updated stock prices in real-time including buy/sell price, opening /closing price, previous close price, volume etc. with the Industry Comparison of the quoted stock.

The expiry date will be displayed below order status.

This function is available for HK and US stocks and only Price Limit order with condition set as “**Send Now**” or “**Stop Limit**”.

Good-Till-Date (GTD) order allows your trade to remain valid for up to 14 calendar days.

TRADE

HK and US stocks – Good-Till-Date (GTD) Orders

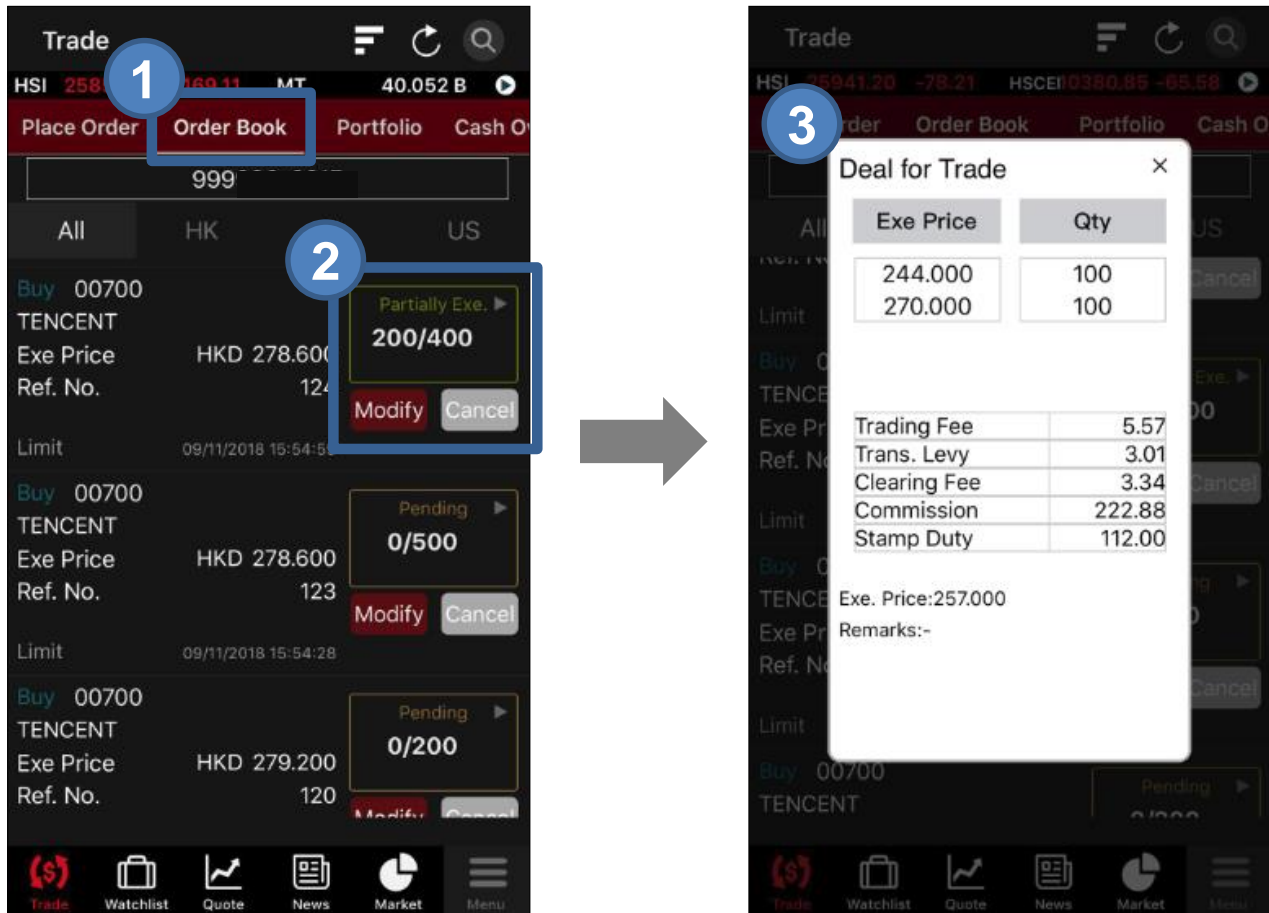

Disclaimer of HK and US stocks – Good-Till-Date (GTD) Orders

1. GTD orders are sent to the market during market open everyday. The GTD order will be rejected if there are not enough funds or stock holdings in client's portfolio.
2. All rejected GTD orders (including any rejected order caused by unforeseeable events or system disruptions) will be cancelled. Clients should pay attention to the order status/expiry date and place the orders again if needed.
3. The order details of GTD orders (including but not limited to the quantity and price) will not be adjusted automatically by any corporate actions from the stock-issuing company, including but not limited to stock consolidation or split. The instructions of the GTD order will remain valid till the expiry date. Clients should closely monitor the status and any relevant information so as to amend the order details accordingly.
4. The maximum validity for the GTD order is 14 calendar days, which will commence from the day after the GTD order is placed, based on HK Time.
5. The unfulfilled quantity of a valid GTD order will be carried forward to the next trading day.

TRADE
